IT WON'T HURT US TO GO TO CURTIS 08/04/16

Three large lakes with the same name Big Manistique, Little Manistique and North Manistique. We will enjoy fishing, hiking and friends galore.

THE GREAT LAKES BAY WATERWAY 08/11/16

Our tour starts on Sanford Lake to do a little fishing with champion fisherman Brian Darling. From here we take a tour of the Shiawassee Nature preserve and then it's on to the Tittabawassee River to kayak and we continue all the way to Saginaw Bay to join in a sailboat race and fish with nationally acclaimed fisherman Mark Martin. This is a water trail for the whole family.

THE NAUTICAL HEART OF MICHIGAN 08/18/16

Life just doesn't get any better than boating—on Lake St. Clair. And the reason is that Lake St. Clair may just be one of the best boating lakes on the planet. This area is full of little towns with great eateries, lots of great fishing and tons of fun for the whole family.

U.P. BEAUTY 08/25/16

Autumn is wilderness getaway time! The color is fantastic, the crowds have gone home and the bugs are gone until next year. We will canoe into the wilderness for the camping trip of a lifetime. We guarantee that you have never seen fall color so incredibly beautiful and you will be planning your own trip before today's show is even finished.
